

Peugeot Partner, Citroen Berlingo, Renault Kango & Fiat Doblo *Fold-up Seat Kit*

Our seat kit is stronger than our competitors, it's made with better quality foam for comfort, is easier to fit and comes with under floor strengthening kit.

Optional Bulkhead
Our movable steel mesh bulkhead is attached with 4 spring clips giving the passengers complete protection from heavy loads in the rear when carrying 2 passengers or 5 passengers in the front.

PHONE FOR PRICES FOR ONE UNIT OR FOR FLEET DEALS

Also available if you prefer 3 integral lap and diagonal seat belts is our **3 Seater Bench Seat**

Seat in place with optional moveable bulkhead, 2 lap and diagonal seat belts and one lap belt and carpet kit

Seat folded up, showing how little room it takes up

Or fit a pair of our San Carlos mini bus type seats with integral lap & diagonal seat belts.

SEAT KITS AVAILABLE FOR ALL THE MULTISPACE (CAR TYPE) MODELS OF THESE VEHICLES

Example of seat folded up with mesh bulkhead in Ford Connect moved forward still leaving 85% of the vans carrying capacity
