

Scot Seat Direct Ltd Tel: 01560 600100 (6 lines)

Dear Landrover Dealer or 4x4 Specialist

We at Scot Seats have a NEW 3 SEATER FOLD-UP rear seat kit for the Landrover Discovery Commercial

3 Seater Fold-up Kit

We fit 2 lap & diagonal seat belts onto the original Landrover mounts and a lap belt in the middle, 3 adjustable headrests. The seat can be finished in black velour and vinyl or upholstered in leather we can also recover your front seats to match.

These seat kits are VAT and Tax compliant, these are classed as temporary as they are a fold-up seat and the seat has not been fitted by the dealer before registration.

If one of our Nationwide chain of fitting agents comes and fits the seat on your premises, this takes the liability factor away from you the dealer as we will issue you with a certificate of conformity stating the seats have been fitted correctly, which is sometimes required by insurers.

Freelander Commercial
